

*Left:* Lee Memorial is surrounded with scaffolding during the refurbishing of the statue.

*Below:* DHR staff takes the rare opportunity to inspect the statue up close.

*Right:* This close up reveals the detail in the sculptor's rendering of Lee's visage.

*Below left:* Andrew Baxter, of "BRONZE et al," is overseeing the work on restoring the statue.

*Below right:* The view looking west along Monument Avenue from the top of the monument.
